

National Student Financial Aid Scheme

## CIRCULAR NOTICE NO. 3 OF 2021 (FOR UNIVERSITIES ONLY)

---

**TO: REGISTRARS, HEAD(S) OF FINANCIAL AID OFFICE**

**FROM: MR ANDILE NONGOGO  
CHIEF EXECUTIVE OFFICER**

**DATE: FEBRUARY 12, 2021**

**SUBJECT: PREFUNDER FUNDING MATTERS & DHET QUALIFICATIONS UPDATE**

---

This circular seeks to expand on the process for Prefunders for distribution of living allowances for the 2020 extended period, the finalisation of student data ingestion, the uploading of student registration data, manual payments and the manual payments reconciliation process.

The circular further communicates important information regarding the Department of Higher Education and Training (DHET) funded qualifications, to which institutions must recognize and action during the process of registration of National Student Financial Aid Scheme (NSFAS) funded students.

### **2020 EXTENDED ACADEMIC PERIOD**

In Circular Notice No. 21 of 2020 institutions were informed that NSFAS will continue the payment of living allowance for students who are affected by the extended academic year, the NSFAS Prefunders unit has also engaged funders to consider the necessary increase for this period. Most funders have approved an increase in the allowances to accommodate the extended academic year. FUNZA-DBE funding is still considering the request to avail additional funds in this regard.

### **DOUBLE DIPPING UNFUNDING**

Institutions are required to submit a written directive in instances where a student's funding was approved by both DHET and the Prefunder and where the student has received funding from both Funders. The institution is requested to provide NSFAS with a written instruction to facilitate the unfunding process. Once DHET unfunding is complete, the systematic funding for the Prefunder will be completed through the ingestion process, only then will the institution be able to load the Prefunder Reg.

### **REGISTRATION DATA UPLOAD**

The delay in funding processes has been resolved, therefore the registration handler is ready to accept 2020 Prefunder registration data. Error logs are to be submitted to NSFAS for speedy resolution which will be prioritized. We urge the Financial Aid Officers to complete this process no later than February 28, 2021.
