
A Profile of Mr Rudzani Shoes Mushweu

Mr Rudzani Shoes Mushweu obtained a Bcom degree in Cost and Management Accounting from the University of Venda in 2003. Through his love and passion for new knowledge and personal development, Mr Mushweu went further to attain Bcom Honours in Business Management with the University of South Africa in 2012.

He started his career as a financial management intern at the Vhembe District Municipality in 2004. Two years into his career, he was appointed Assistant Director in the South African Social security Agency. He went on to serve as manager at the Department of Public Works for three years. Mr Mushweu has risen through the government administration and has accumulated immense knowledge of good governance and management. In 2012 he was appointed Director Financial Management at Limpopo Provincial Treasury.

It was during his tenure as Director at the Limpopo Provincial Treasury that he decided to widen his horizons and register for Masters of Business Administration. He obtained his MBA in 2016 at MANCOSA. Currently, Mr Mushweu is working as General Manager at City power Johannesburg. The responsibilities he executes in the City Power, expose him further to governance through interaction with boards and audit committees.

During his student days at the University of Venda, Mr Mushweu served the students with distinction. In 2001 he was elected the Chairperson of the School of Management Sciences. He further served as the Treasurer - General of the SRC and the President of the SRC in 2002 and 2003 respectively. He served at both the University Senate and Council. He gained experience in higher education transformation in general.

He continues to serve in various community structures with the sole purpose of imparting knowledge and community development. He is the founder of Denzhe Youth Focus, an NGO aimed at youth development initiatives.

Through learning and involvement, Mushweu accumulated experience in the field of governance, financial management, administration and general management amongst others.
