No amendments to or deviations from said documents are valid unless contained in this Schedule.

The tenderer shall within two weeks of receiving a completed copy of this agreement, including the Schedule of Deviations (if any), contact the *Employer's* agent (whose details are given in the Contract Data) to arrange the delivery of any securities, bonds, guarantees, proof of insurance and any other documentation to be provided in terms of the *conditions of contract* identified in the Contract Data. Failure to fulfil any of these obligations in accordance with those terms shall constitute a repudiation of this agreement.

Notwithstanding anything contained herein, this agreement comes into effect on the date when the tenderer receives one fully completed original copy of this document, including the Schedule of Deviations (if any). Unless the tenderer (now *Consultant*) within five working days of the date of such receipt notifies the *Employer* in writing of any reason why he cannot accept the contents of this agreement, this agreement shall constitute a binding contract between the Parties.

Z1 Tax invoices

The *Consultant's* invoice.

Delete the first sentence of core clause 50.2 and replace with:

Invoices submitted by the *Consultant* to the *Employer* include:

- the details stated in the Scope to show how the amount due has been assessed, and
- the details required by the *Employer* for a valid tax invoice.

Delete the first sentence of core clause 51.1 and replace by:

Each payment is made by the *Employer* within four weeks of receiving the *Consultant's* invoice showing the details which this contract requires or, if a different period is stated in the Contract Data, within the period stated.

Z2 Selection and appointment of the *Adjudicator*

Add the following paragraph to clause W.1.2(1)

Within 2 weeks after declaring a dispute and if the *Adjudicator* was not yet appointed with a previous dispute, the notifying Party notifies the other Party of the names of two persons he has chosen from the Panel of NEC Adjudicators set up by ICE-SA, a joint division of the Institution of Civil Engineers and the South African Institution of Civil Engineering (see www.ice-sa.org.za), whose availability to act as the *Adjudicator* the notifying Party has confirmed. The other Party selects one of the two persons chosen to be the *Adjudicator* within four days of receiving the notice, failing which the person chosen by the notifying Party will be the *Adjudicator* for the Contract. The Parties appoint the selected *Adjudicator* under the NEC3 Adjudicator's Contract, April 2013.

Z3 Acts or omissions by mandatories

In terms of Section 37(2) of the Occupational health and Safety Act of 1993 (Act 85 of 1993), the *Consultant* hereby agrees that the *Employer* is relieved of any and all of its liabilities in terms of Section 37(1) of this Act in respect of any acts or omissions of the *Consultant* and his employees to the extent permitted by this Act, and that this contract comprises the written agreement between the *Employer* and the *Consultant* contemplated in section 37(2).

Z4 Expenses

If the Parties agree, estimates of *expenses* may be included in the lump sum prices in the Task Schedule which are assessed as compensation events.

Z5 Vendor registration

The *Consultant* registers on the *Employer's* vendor database by completing the relevant Vendor Registration Form and providing all the required information.

One hundred percent of the Prices for Services Provided to Date is retained in assessments of the amount due until the *Consultant* has registered on the *Employer's* database.

Z6 Contract Date

In these *conditions of contract* each reference to the Contract Date is the date when the Task Order came into existence.

Z7 Price adjustment for inflation

Notwithstanding the provisions of X1

- (1) The provisions of X1.4 and X1.5 do not apply.
- (2) The *Consultant* calculates the *staff rates* at the Contract Date for all rates which are fixed and are not variable with changes in salary paid to individuals, by multiplying the *staff rates* contained in the Pricing Data by $1 + (L - B) / B$, where B is the last value of the *index* published before the *starting date* and L is the last published value of the *index* published before the Contract Date.

Z8 Corrupt Acts

(1) A Corrupt Act is:

- the offering, promising, giving, accepting or soliciting of an advantage as an inducement for an action which is illegal, unethical or a breach of trust or
- abusing any entrusted power for private gain

in connection with a contract or any other contract with the *Employer*. This includes any commission paid as an inducement which is not declared to the *Employer* before the date of the acceptance of the *Consultant's* offer.

(2) The *Consultant* does not do a Corrupt Act.

(3) The *Consultant* takes action to stop a Corrupt Act of a subcontractor or a supplier of which it is, or should be, aware.

(4) The *Consultant* includes equivalent provisions to these in subcontracts.

(5) Add subclause 90.5

The *Employer* may terminate if the *Consultant* does a Corrupt Act, unless it was done by a subcontractor or a supplier and the *Consultant*

- was not and should not have been aware of the Corrupt Act or
- informed the *Employer* of the Corrupt Act and took action to stop it as soon as the *Consultant* became aware of it.

(6) Add the following first bullet to 92.2:

- the *Consultant* does a Corrupt Act or

C2: Pricing Data

C2.1 Pricing assumptions (Option G)

C.2.1.1 General

C.2.1.1.1 The *Consultant* is paid under Option G (Term Contract) i.e. on a combination of Time Charges (sum of the products for each of the *staff rate* multiplied by the time appropriate to that *rate* properly spent on work in the contract) and a proportion of the lump sum price for each item on the Task Schedule in proportion to the work completed on that item.

C.2.1.1.2 *Expenses* as provided for in the contract are paid in addition to the total of the Time Charges and lump sum prices.

C.2.1.1.3 There is no adjustment to the lump sums for items in the Task Schedule if the amount, or quantity, of work within that activity later turns out to be different to that which the *Consultant* estimated at the time that the Task Schedule was accepted by the *Employer*. The only basis for a change to the lump sum prices is as a result of a compensation event (See Clause 60.1).

C.2.1.2 Staff rates

C.2.1.2.1 The *staff rates* are the prices charged for the key person, excluding VAT but including non-recoverable expenses, IT equipment, insurances, cell phones and all protective clothing and profit.

C.2.1.2.2 The rate per month shall include all leave taken which shall not exceed 2 days ordinary leave for every month worked and not more than 8 days sick leave in any 365 day period. The staff rate shall be adjusted were leave exceeds these leave provisions.

C.2.1.3 Expenses

C.2.1.3.1 The *expenses* that may be paid to the *Consultant* are as stated in the Contract Data. All other cost to the Consultant associated with Providing the Services is included within the staff rates.

C.2.1.3.2 All air travel shall be in economy class on a scheduled airline.

C.2.1.3.3 Accommodation means a

- a) a bed and breakfast;
- b) a guest house;
- c) self catering; or
- d) hotel having a star rating of 1, 2 or 3 as defined by the Tourism Grading Council of South Africa (see www.tourismgrading.co.za).

Note: A lodge, country house or 4 star or higher star rated hotel is not accommodation. Any stay in such a facility cannot be claimed as an expense.

C.2.1.3.4 A hired car means a motor vehicle having an engine capacity of not more than 1800cc.

Note: A hired car having an engine capacity greater than 1800cc is not a hired car and cannot be claimed as an expense

C2.2 Staff rates

The staff rates are:

University of Venda

Tender No: IN/05/2022

Framework agreement for the services of a Panel of Mechanical Engineering Consultant to support the delivery of infrastructure projects on the University of Venda's Thohoyandou campus

C3: Scope of work

1 Purpose of the service

1.1 Employer's objectives

The Employer's objective in entering into a framework agreement over a five-year term, on an as and when instructed basis, is to secure the services on a full-time basis of a suitably qualified specialist project / contract manager to serve the Employer's needs and requirements in the construction of new infrastructure on its Thohoyandou Campus.

A written instruction will be given to the appointed Consultant as and when their services is required. The panel shall be managed in terms of fairness and equitability when assigning projects/tasks, as such allocation of work shall be distributed based on quality of performance to date.

1.2 Background

1.2.1 General

The University of Venda's main campus, which was established 1982, is located in Thohoyandou. The University has, as indicated below, received a number of Infrastructure Efficiency Grants from the Department of Higher Education and Training to refurbish or upgrade their existing facilities and to expand their current facilities.

1.2.2 Framework agreements

A Framework agreement is an agreement between the Employer and one or more contractors, the purpose of which is to establish the terms governing orders to be awarded during a given period, in particular with regard to price and, where appropriate, the quantity envisaged. An order, on the other hand, is an instruction to provide work under a Framework agreement. Framework agreements enable the Employer to procure on an as-instructed basis (call offs) over a set term without committing to any quantum of work. Such agreements do not bind the Employer to make use of such agreements to meet its needs. The Employer may approach the market for work falling within the scope of work of the Framework agreement, whenever it considers that better value in terms of time, cost and the quality may be obtained.

1.3 Use of material

The Employer intends using the information provided by the Consultant for purposes including:

- professional advice regarding decisions to be made in connection with the subject matter of the services;
- inputs into the work of others and the administration of contracts; and
- professional inputs into the delivery process

Task specific use of information provided by the Consultant is set out in the Task Order.

2 Description of the services

The services over the term of the contract will include infrastructure projects:

- 1) the management and integration of projects. from their conception to completion in support of the Employer's objectives and aspirations;
- 2) the management of the NEC3 contracts and Project Manager that are entered into for engineering and construction works, services, supplies and professional services including the compiling and issuing of orders in terms of framework agreements;
- 3) the management of the formal handover of completed facilities to the facilities management unit;
- 4) the gathering of data and the drafting of reports required by the Employer and Others in accordance with the Employer's requirements including progress reports on initiatives to attain secondary procurement objectives;
- 5) the management of the schedule for the proposed projects and cash flows;
- 6) the compilation and finalisation of procurement documents, the leading of tender processes and the evaluation of submissions and the development of tender evaluation reports; and
- 7) the management of a document control system.

The Consultant shall monitor and report on a regular basis to the Employer on at least the following:

- 1) time, cost (including projected cash flow) and scope of projects;
- 2) the quality of the work that is executed;
- 3) the attainment of development targets / secondary procurement objectives; and
- 4) regulatory compliance.

3 Existing information

Existing information, if any, pertinent to a Task Order shall be identified in the Task Order.

4 Specifications

4.1 General

4.1.1 The Consultant shall in the provision of the services observe all relevant statutes, by-laws and associated regulations, standards of professional conduct and industry norms established in relevant South African national standards published in terms of the Standards Act of 2008 or standards recommended by professional associations.

4.1.2 The Consultant shall take into account the information provided by the Employer when providing the required services.

4.1.3 The Consultant shall provide the services in accordance with the relevant provisions of the *Standard Scope of Professional Services associated with the delivery of a Package* (see Annexure 2) as a contract manager and supervising agent and, if required, as a procurement leader. A cost manager (registered professional Mechanical Engineer) shall be appointed to assist the Consultant in the cost aspects of the administration of NEC3 Engineering and Construction Contract.

5 Constraints on how the services are to be provided

5.1 Facilities and equipment to be provided by the Consultant

The Consultant shall provide his own personal protective equipment, vehicle for travelling on the site, IT equipment including software and cellphone.

5.2 Invoices

Invoices submitted shall be a Tax invoice if the Consultant is registered for VAT. The invoice shall comply with requirements, if any, established by the Employer.

5.3 Vendor registration

The Consultant shall complete vendor registration forms before the first assessment date. Such forms and the submission requirements shall be obtained from the Employer.

6 Information and other things provided by the Employer

The Employer will provide all the necessary office facilities including telephones (fixed land lines only) including printing and photocopying facilities.
