Creating Future Leaders

FACULTY OF SCIENCE, ENGINEERING AND AGRICULTURE

Department of Urban & Regional Planning (URP)

WELCOME MESSAGE FROM THE HEAD OF DEPARTMENT

"Welcome to a vibrant and progressive planning environment where theory meets practice. At the Department of Urban and Regional Planning, we shape future planners who are ready to transform communities through innovative and inclusive approaches." - *Dr Emaculate Ingwani, Head of Department*

OUR VISION

To be the premier Planning School in Southern Africa, leading in engaged scholarship that is responsive to socio-economic transformation challenges in local, regional, and international contexts.

OUR MISSION

By integrating creative, multidisciplinary, and community-driven solutions into planning practice, we offer students opportunities to build strong linkages between theory and practical knowledge in urban and regional planning.

WHY CHOOSE URP AT UNIVEN?

- SACPLAN-accredited qualifications
- Community-based learning model
- Cutting-edge GIS and planning software
- Experienced and research-active staff
- Strong postgraduate support
- Fieldwork and study trips
